Cancer Resources

4women.com

www.4women.com

Provides fashionable scarves, accessories and natural makeup for women and girls who are experiencing hair loss. The beaubeau scarf is a unique alternative to wearing a wig. It comes in several different fabric choices and a myriad of colors and designs. Our swim cap (swimbeau) is a wonderful alternative to the traditional rubberized swim cap. It's secure, comfortable and very fashionable. Our motto is "just because you have lost your hair does not mean you have lost your sense of style."

CureSearch

www.curesearch.org

CureSearch for Children's Cancer is a 501(c)3 U.S.-based non-profit foundation that accelerates the search for cures for children's cancer by driving innovation, overcoming research barriers and solving the field's most challenging problems. We fight every day to make new, better treatments possible for the 43 children diagnosed with cancer each day. We do this by:

- Catapulting strong medical research through the research pipeline to advance better, less-toxic children's cancer

treatments

- Breaking down barriers and convening the right players to focus on our shared goal: saving kids NOW
- Providing resources and education, so no child faces a cancer diagnosis without a fully-equipped support team

Headcovers Unlimited

Our company was founded by Carol Galland, a breast cancer survivor, and her daughter over 20 years ago. We are devoted to helping people with hair loss due to cancer or chemotherapy treatments to look and feel beautiful while battling their hair loss. Our products include soft hats and scarves, sleep caps, wigs, false eyelashes and eyebrows, as well as other hard to find hair loss products. We have also created a vast resource library with a myriad of helpful cancer and hair loss tips and informational articles. We cover topics such as “How to Select Your Wig” and what to look for in a head covering.
