

The Cancer Resource Guide for North Central Florida

The Cancer Resource Guide for North Central Florida is a thorough listing of cancer-related resources for patients, family members, caregivers and healthcare providers. The Guide is a public service of North Central Florida Cancer Control Collaborative, WellFlorida Council and the Florida Department of Health Cancer Control Program.

Caregiver Resources

For Caregivers

American Red Cross

www.redcross.org/local/florida/north-central-florida/about-us/locations/north-central-florida.html

Offers training in Family Caregiving, which provides a variety of information-packed sessions covering topics that can help you provide better care for a sick or elderly loved one at home. Topics include general caregiving skills, assisting with personal care, and legal and financial issues.

Cooking For Chemo

cookingforchemo.org

A “How To Cook” Cookbook that teaches you how to adjust your cooking for chemotherapy patients.

While most cancer cookbooks are focused on teaching you about healthy ingredients and recipes to eat, Cooking For Chemo focuses on teaching you how to adjust flavor so you can enjoy your food again while undergoing chemotherapy treatments. The theory Chef Ryan Callahan teaches you can be applied to ANY diet or dietary regimen that your dietitian or physician puts you on. The applicability of this theory to any style of cooking or dietary requirements is what sets this book apart from all other books.

Fitness & Stress Reduction

Gainesville Health & Fitness Cancer Recovery Program

Our free 4-week program is designed specifically for those newer to exercise or those looking for a gentle, supportive way to feel like themselves again. We focus on making you feel comfortable from day one, helping you find success in small wins, and building the confidence to live a more active life.

Your Path to Feeling Better:

1. The Personal Consultation: Meet one-on-one with a GHF Fitness Specialist to map out a 4-week plan that respects your restrictions and honors your pace.
2. A Gentle Start: Progress gradually through a mix of strength training, cardio, and soothing pool, stretch, and Tai Chi classes tailored to your current capacity.
3. The Recovery Suite: Ease treatment-related aches in our sauna, steam room, and warm therapy pool, or find refreshment in the cold pool.
4. Weekly Support: Stay encouraged with weekly check-ins to adjust your plan as you get stronger.

Don't let treatment-related fatigue define your days. Rebuild your strength, experience a renewed sense of empowerment, and discover what your body is capable of in a welcoming environment. Contact Debbie Lee at 352.692.2115 or Debbie.Lee@ghfc.com to get started.

Guided Meditation Class for Cancer Patients

Evidence-based research has shown Reiki therapy promotes relaxation, a sense of well-being, reduction in anxiety, relief from pain, and improves quality of sleep. In my own experience in private practice, patients receiving Reiki therapy integrated with various cancer treatments have reported significant pain relief, relief from nausea, headaches and neuropathy, as well as improved quality and quantity of sleep. To schedule an initial visit, please call 386-853-0162.

A Guided Meditation class is now scheduled on Tuesdays at noon at the Cancer Center of North Florida Regional in a room just off the lobby (to the right as you enter), called the "Health & Healing Place."

The Cancer Center is a stand-alone building on the northeast corner of the hospital. It sits north of the Medical Arts building, and shares a free-parking garage with the Medical Arts Building. Additional parking for the Cancer Center is outside, and you are able to park there if you prefer.

Outreach

Cancer Connections

cancer.ufl.edu/community/education-resources/cancer-connections/

Meets once a month virtually from noon until one. The meetings are open to cancer patients, survivors, caregivers and all healthcare professionals who treat them. Each month a speaker gives a presentation on some facet of cancer care. Cancer Connections brings together cancer patients, survivors, caregivers and cancer health care professionals who treat or provide a service to those affected by cancer. Attendees gain a deeper awareness of current research, treatment options and health care services available for cancer care. For meeting dates and topics contact Laura Parra.

Information, 850-245-4444

Florida Organic Growers

www.foginfo.org

Florida Organic Growers (FOG) offers SNAP (Supplemental Nutrition Assistance Program, formerly food stamps) recipients the opportunity to use their benefits to purchase food at two farmers markets in Alachua County: the Saturday Alachua County Farmers Market and the Wednesday Union Street Farmers Market. Debit/Credit capabilities are also available.

WHO CAN USE THIS SERVICE?

EBT (Electronic Benefits Transfer) technology allows those with SNAP benefits (food stamps) to use their EBT cards at the farmers markets to purchase acceptable items.

Those who wish to use debit or credit cards will also be able to use their cards at the market.

HOW DOES IT WORK?

The project uses a token system to enable customers with EBT, Debit or Credit Cards to shop at the farmers markets. Here's how it works:

1. A customer swipes the EBT, Debit or Credit card at the central POS terminal and enters the PIN.
2. The FOG staff enters the amount of tokens requested into the terminal.
3. Once the transaction is approved, the customer is given a transaction receipt and tokens.
4. The customer then uses the tokens at any participating vendor's stand.

WHEN ARE THE FARMERS MARKETS?

The Union Street Farmers Market runs every Wednesday from 4:00pm to 7:00pm.

The Alachua County Farmers Market is every Saturday from 8:30am to 1:00pm.

WHY SHOULD I SHOP AT THE FARMERS MARKET?

A diet consisting of at least five servings (2 to 3 cups) of fruits and vegetables daily decreases the risk of heart disease, stroke, obesity, diabetes and certain cancers. Those who consume eight or more servings are 22 percent less likely to die from heart disease than those who consume three or fewer servings a day. Buying from a farmers market means you're able to purchase food often picked within a couple days of the market date, so its nutritional quality is still high, and it oftentimes hasn't traveled across the country using valuable fuel resources. It also means your dollar is going back into the local economy, helping the farmers and other business owners in the community.

WHAT ELSE WILL BE OFFERED?

The on-site FOG market booth will be an informational and education hub, with community resources on gardening, nutrition, cooking, community events and opportunities. It will also provide a place where people can learn how to enroll in SNAP.

Tom Coughlin Jay Fund Foundation

www.tcjayfund.org

The mission of the Tom Coughlin Jay Fund Foundation is to assist children and young adults 0-22 years old with leukemia and other cancers and their families by providing emotional and financial support to help reduce the stress associated with treatment and improve their quality of life up to 6 months following treatment. Child must be a permanent resident of North Florida, South Georgia, Northern NJ, or New York City. All financial assistance is determined on a case-by-case basis based on the needs of the child and family. To apply for financial assistance in Florida, families should contact a hospital social worker.

CureSearch for Children's Cancer is a 501(c)3 U.S.-based non-profit foundation that accelerates the search for cures for children's cancer by driving innovation, overcoming research barriers and solving the field's most challenging problems. We fight every day to make new, better treatments possible for the 43 children diagnosed with cancer each day. We do this by:

- Catapulting strong medical research through the research pipeline to advance better, less-toxic children's cancer treatments
- Breaking down barriers and convening the right players to focus on our shared goal: saving kids NOW
- Providing resources and education, so no child faces a cancer diagnosis without a fully-equipped support team

Headcovers Unlimited

Our company was founded by Carol Galland, a breast cancer survivor, and her daughter over 20 years ago. We are devoted to helping people with hair loss due to cancer or chemotherapy treatments to look and feel beautiful while battling their hair loss. Our products include soft hats and scarves, sleep caps, wigs, false eyelashes and eyebrows, as well as other hard to find hair loss products. We have also created a vast resource library with a myriad of helpful cancer and hair loss tips and informational articles. We cover topics such as "How to Select Your Wig" and what to look for in a head covering.
